afternoon will be here!

Join us again for a memorable event.

Petting Zoo! Grill Jon's Brats! Beverages! Fun for All!

Water Slides! Face Painting! Rock Climbing Wall!

What's New at Monterey Vista

BOARD OF DIRECTORS' COMMUNITY MEETING

Friday, March 27th in the Morelos Community Park.

All are welcome to attend!

Annual Meeting of the Members

Due to the lack of a homeowner quorum, the Annual Meeting and Election for the Members of Monterey Vista could not be conducted.

There were two spots open on the board of directors. Simon Zagerman will continue on the board and Susan Tinnes has volunteered for the second spot open on the board of directors.

Our Community

Landscape rejuvenation cut backs have been done throughout the common area to help the growth of the plants. This will improve the blooms on the plants and allow for more natural growth and prevent over growth.

REMINDER: TRASH/RECYCLE CONTAINERS: During a recent survey of the community, several trash cans were again visible from the street. The containers were stored in the driveway or beside the garage in front of the gate to the rear yard. Trash containers should be out no more than a 24-hour period on collection days (i.e. dusk the day before to dusk the day of pick-up). All containers shall be stored from visual sight - behind your gate or in your garage at all other times. As a courtesy to your neighbors, as well as the community in general, please do not leave containers on side of home or in front of garage. Please store them out of view.

2014 Holiday Lights Contest Winners!

1st place winner—\$200
797 E. Saragosa St.

2nd place winner—\$100
827 E. Geronimo Ct.
