Monterey Vista 2014 Spring Splash

It was a great day for our Community Spring Splash and a hot one as well, so the water was cool and refreshing. All who attended had a great time with plenty of food, conversation and fun as you can see from our photos below.

Our community events provide an opportunity to take the time and get caught up with neighbors and community happenings over a bite to eat. If you have not taken the time to join us for one of our events, please do. Our next event is scheduled for Saturday, October 18th. Mark your calendar we would enjoy meeting you and the family,

**Put Simple Steps in Play
Save a Child's Life!**

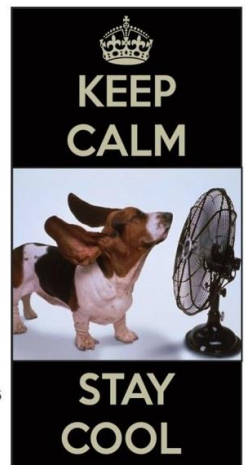

- ◆ Never leave a child unattended in a pool or spa and always watch your child when he or she is in or near water.
- ◆ Keep children away from pool drains, pipes and other openings to avoid entrapments.
- ◆ Teach children basic water safety tips
- ◆ Have a telephone close by when you or your family is using a pool or spa
- ◆ If a child is missing, look for him or her in the pool or spa first
- ◆ Learning and Practicing Water Safety Skills.
- ◆ Learn how to swim and teach your child how to swim.
- ◆ Learn to perform CPR on children and adults, and update those skills regularly.
- ◆ Understand the basics of life-saving so that you can assist in a pool emergency.
- ◆ Install a four-foot or taller fence around the pool and spa and use self-closing and self-latching gates; ask your neighbors to do the same at their pools.
- ◆ Ensure any pool and spa you use has compliant drain covers, and ask your pool service provider if you do not know.
- ◆ Maintain pool and spa covers in good working order.
