## Spring Splash

While the start of May 16<sup>th</sup> greeted us with a flooded greenbelt due to heavy rains the day before we were committed to providing an afternoon of fun! We made some last minute changes with the help of our vendors and it turned out to be a great day for our community event. The weather was perfect, and the kids didn't mind the bouncers instead of water slides, and Grillin' Jon did not disappoint the crowd. We had a wonderful turnout from the community and everyone seemed to enjoy the food and company of their neighbors. (Check our Facebook page for more photos!)

Thanks to everyone who came out and helped to make our event a success! We hope to see all at the Fall Festival!
